

WOODWARD CANYON

EST. 1981

WALLA WALLA VALLEY

2016 "OLD VINES" CABERNET SAUVIGNON

The "Old Vines" Cabernet (originally "Dedication Series") has been in production since the bonding of the winery in 1981. Primary sourcing has always come from the oldest blocks of Champoux and Sagemoor Vineyards, some of the oldest cabernet blocks in the state. The 1987 vintage was the first Washington wine to be on Wine Spectator's Top 10 list. This is a full-bodied cabernet and will typically age well with proper cellar conditions, 15+ years from vintage. Produced and bottled on site at Woodward Canyon Winery.

CURRENT & PREVIOUS VINTAGE SCORES

94 Points, JamesSuckling.com (2016)

"Such beautiful purity of cassis and blueberries on the nose here. This has a rich array of ripe dark blackcurrants on the palate, spiced with cedary oak. Long and regal. Effortless balance, too. A blend of 92% cabernet sauvignon, 5% petit verdot and 3% malbec. Drink or hold."

94 Points, Robert Parker's The Wine Advocate (2014)

94 Points, Top 100 Cellar Selection Wines for 2017, Wine Enthusiast (2014)

93 Points, Vinous (2015)

VINEYARDS

Sagemoor Vineyard (75%)

Founded in 1968, Sagemoor Vineyards was a pioneering effort that helped establish the Washington State wine industry. Its early vineyards are among the oldest large-scale plantings of vinifera grapes in the State. Rick began using Sagemoor fruit in his home winemaking days and we continue to use it today. A significant number of 1972 plantings are still producing our "Old Vines" Cabernet Sauvignon sourced from specific rows in Blocks 3 and 9. Quincy loamy fine sand, Sagehill very fine sandy loam, 2-10% slope. 572ft elevation.

Champoux Vineyard (20%)

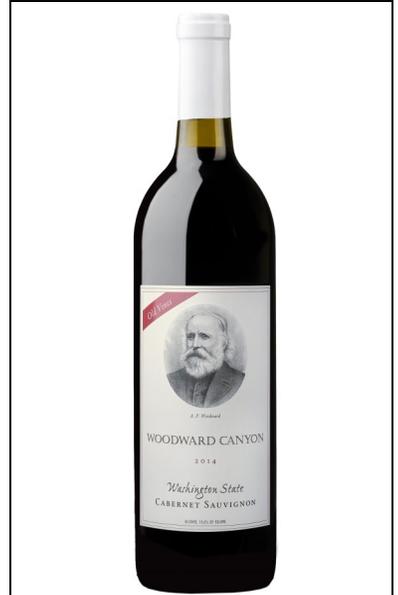

Founded in 1972 and located in Alderdale Washington within the Horse Heaven Hills AVA, Champoux's original plantings of the famed "Block One" are regarded as being among the oldest and finest in Washington State and are a key component of our "Old Vines". In 1996 Woodward Canyon and fellow Washington State producers Powers/Badger Mountain Winery, Quilceda Creek Winery and Andrew Will Winery became joint owners. Malaga gravelly fine sandy loam over lacustrine deposits, glacial outwash. Slope 3%, 650ft elevation.

Woodward Canyon Estate Vineyard (5%)

Established in 1976, Woodward Canyon is the western most vineyard in Walla Walla Valley AVA, roughly 15 miles west of Walla Walla Washington. 41 vineyard acres planted and several more acres of green belts supporting native species such as western juniper, ponderosa pine, western sage brush, arrow leaf balsam root, and perennial wildflowers. Ritzville silt loam over fractured basalt, slope 15-18%. 750-850ft elevation. Managed by Woodward Canyon winery.

TASTING NOTES

This complex yet elegant vintage of "Old Vines" Cabernet Sauvignon shows sophistication and concentration that come from such extraordinary 40+ year-old vines. It expresses the purity of fully mature cabernet sauvignon that can only be achieved from old vine fruit. The color is a deep purple, and intermingling aromas of baking spice, cedar, graphite and ripe blackberries leap from the glass. Flavors of black fruits blend beautifully with pencil, cigar box and exotic spice of new French oak that coat the mouth. The texture is soft but firm with beautifully integrated tannins offering a rich, long finish. This wine will benefit greatly from additional cellaring and, with proper storage, should last for ten years or more.

WINE DATA

Varietal composition: 92% cabernet sauvignon, 5% petit verdot, 3% malbec

Alcohol: 15.2%

Bottling Date: February 2019

Release Date: April 2019
