

WOODWARD CANYON

2021 ARTIST SERIES #30 CABERNET SAUVIGNON

WASHINGTON STATE

TASTING NOTES

This wine is deep ruby in color and begins with an inviting nose of black plum, slate and red cherry that integrate seamlessly with the subtle, attractive oak. In the mouth, the wine is rich, showing a nice balance of ripe dark fruit, black currant and olive. Integrated tannins enhance the texture leaving you with a complex, generous and long finish. While this wine can be enjoyed now it will benefit greatly from additional cellaring and, with proper storage, should develop for ten years or more. Pair with a ribeye steak, lamb burgers, Portobello mushrooms or cheesy polenta. Store and serve at cellar temperature.
