

WOODWARD CANYON

2021 OLD VINES CABERNET SAUVIGNON

WASHINGTON STATE

TASTING NOTES

This wine is dark purple and dense in the glass. Aromas of graphite, blueberry and fall spices develop with a rich concentration of ripe black fruits and dark chocolate. On the palette, new French oak integrates with black plum that gives way to savory tomato. The smooth but firm tannins leave you with a seamlessly rich and long finish. The wine expresses the purity of fully mature Cabernet Sauvignon that can only be achieved from old vine fruit. While this wine can be enjoyed now it will benefit greatly from additional cellaring and, with proper storage, should develop for fifteen years or more. This wine will pair beautifully with wagyu steak, pepper crusted ahi tuna and high quality gorgonzola. Store and serve at cellar temperature.
