

## WOODWARD CANYON

It's like the holy grail, to make wines that age that you can enjoy 20, 30 or 40 years later," says Rick Small, who founded Woodward Canyon Winery with his wife Darcey in Lowden, Washington in 1981.

Since then, the pair have created some of Washington State's most ageworthy wines, with their children Jordan Dunn-Small and Sager Small recently taking the helm.
